

CITY OF McGRATH, ALASKA

RESOLUTION 10-03

RESOLUTION 10-03, A RESOLUTION OF McGRATH, ALASKA IN SUPPORT OF THE DESIGN AND CONSTRUCTION OF A BARGE LANDING FACILITY.

WHEREAS, The City supports the USACE and Denali Commission efforts to design and construct a barge landing facility; and

WHEREAS, Barges delivering fuel, freight, materials, vehicles and heavy equipment presently onload and offload at three locations; and

WHEREAS, Those include the marine header for Crowley and ML&P Bulk Fuel Tank Farms, a marine header for the City Bulk Fuel Tank Farm and an unauthorized and unimproved barge landing located downriver from the Anderson Ball Park and adjacent to the unimproved staging area on land owned by the City of McGrath; and

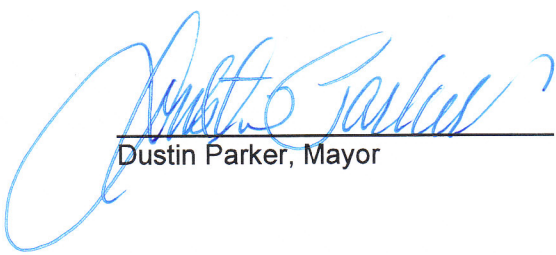

WHEREAS, McGrath needs an approved, safe, developed barge landing with an adjacent suitable staging area to load and offload materials, freight, vehicles and heavy equipment; and

WHEREAS, This project will greatly improve barge operations, increase worker and environmental safety and improve freight delivery costs through system improvements; and

NOW THEREFORE BE IT RESOLVED that the City Council by this Resolution hereby supports the development of design and construction of such a barge landing facility at a City owned site designated by the City Council.

This **RESOLUTION** shall be effective upon enactment.

ADOPTED by duly constituted quorum of the City Council of McGrath, Alaska, this 25th day of August, 2009

Dustin Parker, Mayor
